E-mail: Bruce.Miller@tylerpipe.com

Attention Philadelphia Chapter Members, we have some great news!

The ASPE National Convention is coming to Philadelphia this year! The dates are October 30th – November 3rd. The convention will take place at the Pennsylvania Convention Center. Registration has been set at the incredibly low price of \$695.00, but wait, we have even better news. The Philadelphia Chapter Host Committee would like to give away 50 partial registrations to the convention. We ask that you make a commitment to attend by paying \$300.00 toward registration and we will pay the rest. Wow, what a deal!

You may ask, what does registration get me. Well here is a quick overview. On Sunday night, October 31st there is a Convention Grand Opening party at the National Constitution Center with food, music, access to the museum and the award winning theatrical performance "Freedom Rising". Monday is the opening of the Engineered Plumbing Exposition (EPE) with several hundred manufacturers displaying their latest products. Talk direct to the manufacturers, their engineers and get up to date on all the latest technology. Prior to the opening of the convention will be an inspirational keynote speech by Philly's own, Vince Papale. During the EPE, laptop computers will be given away every 15 minutes. Up to (8) 65" TV's will be given away. There will also be registration coins that could win you \$50.00 instantly, ASPE Almanack that, once complete, will make you eligible for the grand prize, and ASPE Poker where you can win even more prizes. Tuesday is day two of the EPE and the start of the technical sessions. A total of 30 technical sessions will be presented on Tuesday and Wednesday. A wide variety of topics will be presented that should satisfy anyone involved in plumbing and fire protection design. On Monday night, join many of the manufacturers as they host convention parties and on Tuesday night join the ASPE Board and many members at the closing Banquet.

These are just a few of the highlights. Should you have any questions regarding the convention, please do not hesitate in contacting me. How do you apply for the registration give-away? Just fill out the form below and return via email to Dave Holst at dnh@bala.com. To be eligible, you must be a Philadelphia Chapter member and your dues must be up to date. If you are not a member, you may submit this form with a membership application.

Thanks and hope to see many of you take advantage of this opportunity.

Bill O'Donnell
